

In Elections 2019 we want candidates to value **Community, Decency** and **Participation**

#COMMUNITY

Promoting a sense of belonging and inclusion

Welcoming and nurturing people

Helping communities to flourish now and in the future

#DECENCY

Valuing human dignity above other interests

Promoting a decent quality of life for all

Ensuring a healthy and enjoyable environment

#PARTICIPATION

Listening to and encouraging expression

Bringing people in from the margins

Supporting people to engage with decision makers

#MyValuesMyVote

COMMUNITY PLATFORM
CHALLENGING POVERTY & INEQUALITY

Suggested questions for candidates knocking at your door ...

Local Representatives

What will you do to ensure our community is inclusive for everyone?

What will you do to improve public participation especially for those experiencing inequality and poverty?

How will you ensure that people in poverty are empowered?

What will you do to ensure a healthy environment for our children and grand children?

How will you ensure everyone has a decent home and there are decent jobs in our area?

European Representatives

How will you promote the EU values of respect for human dignity, human rights, equality and address environmental sustainability?

How will you work to ensure everyone has a decent quality of life with decent jobs and services?

What will you do to ensure that the EU is more accessible to all?
